Bilateral Meetings

- Wednesday (10:00 - 12:30)
- Wednesday (14:00 - 16:30)

Description

Blueclinical is a privately owned independent company dedicated to clinical research. Blueclinical supports projects from bench to bedside, i.e. from early stages of development until AIM. We have been involved with a large number of entities and we are proud to have helped many of them reach clinical trials stage. You may be the next one.
